

## Junior Staff Application 2009

The West Virginia Hugh O'Brien Youth Leadership State Committee is now recruiting alumni to be part of the 2009 Junior Staff. Junior staff serves as small group facilitators at the seminar. Each year we receive lots of requests from alumni that want to come back and volunteer on staff. With only a handful of spots reserved for Junior Staff members, the selection committee will be looking for alumni who are positive role models in their schools, community and family.

This year's seminar will be held at the University of Charleston in Charleston, West Virginia, from Thursday, May 14<sup>th</sup> through Sunday, May 17<sup>th</sup>. Junior Staff members must report on **Wednesday May 13<sup>th</sup> by 6:00 pm**. If you are interested in applying to be a member of the Junior Staff, please complete the application and return it to the Director of Facilitators, Lisa Ryan, by **Saturday, March 14th**.

In selecting members of the Junior Staff, we will be looking to see if applicants have fulfilled the following:

- Recruitment – Have you talked to your school representatives about sending an ambassador to the 2009 Seminar? Did you participate in the recruitment and/or selection process at your school? Does your school have an ambassador registered to attend the 2009 Seminar?
- Commitment – Have you completed 100 hours of community service?
- HOBY Spirit – How have you incorporated HOBY (ripple effect) into your life?
- Dedication – What HOBY events have you attended and/or coordinated since your HOBY Year?

During the 2009 HOBY Spring Fling (March 28th-29th) introductory staff training and group team building activities will take place. We highly encourage any applicants to attend Spring Fling to participate in these activities. Understandably, not everyone will be able to attend due to time/financial constraints, so your inability to attend will not penalize you. If you are experiencing financial burdens that restrict you from attending, special arrangements can be made. Also, HOBYs from across the state will be attending, so carpooling is often an option.

The Staff Selection Committee has no set formula for selecting the Junior Staff; however, the goal of the committee is to create a team that will benefit the seminar through its collective hard work, dedication and experience. The committee will evaluate each applicant with the understanding that it may not have been possible to fulfill all of the components of the applications. For example, a school may not have permitted an applicant to participate in the ambassador recruitment/selection process or there may not have been any local alumni events to attend. The committee **DOES EXPECT** that your school has registered an ambassador to attend the 2009 West Virginia HOBY Seminar.

Please understand that this is your opportunity to participate in creating an **OUTSTANDING** seminar for a new class of sophomores, **NOT** for you to relive your seminar. As you fill out the application, you are also encouraged to attach relevant materials that you feel might help the selection committee understand your leadership attributes.

To be considered for Junior Staff, you must:

- Fill out the Junior Staff Application 2009
- Raise \$100 for room and board

We have included three different fundraising options for you in this packet.

## Junior Staff Application 2009

- **Sponsor-A-Plate:** This is an easy fundraiser for soliciting money from family and friends. The form is included in this packet. Be sure to list your name as the alumni contact so you will receive credit OR bring all of your completed forms with the donations attached to seminar.
- **Gift-in-Kind Drive:** Use the Donation Form included to solicit items needed for the seminar. These items may be donated for equivalent cash value and applied towards the \$100 staff fee.
- **Nationwide Tour Players Cup Tickets Fore Charity:** Sell tickets to the PGA Tour event July 7-13, 2009, at the Pete Dye Golf Club in Bridgeport, WV. A flyer for the event and an order form are included in this packet. To receive credit for your staff fees, be sure to write your name on the form in the space designated as *Organization Representative*. We also encourage you to keep a list of the name and/or companies that purchase tickets. You do not need to collect the ticket purchase forms. Please have purchasers submit them directly to the address on the form. To receive credit for staff fees, you should encourage people to submit their orders by the end of April. The purchase will need to show up on the May report for you to receive credit.

All fundraising forms are also available for download from <http://www.wvhoby.org>.

Raising \$100 is not a requirement to be part of Junior Staff. **You may pay the staff fee directly.** The staff member that raises the most money **over the \$100** through the various fundraising opportunities will receive a HOBY Prize Pack that includes 2 reunion tickets, a new staff shirt, and a gift certificate for the HOBY Store.

# New Fundraiser – Perfect for Golf Lovers

The PGA TOUR's continuing commitment to charitable contribution has proven to be a great opportunity to raise funds for charities and non-profit organizations throughout the state of West Virginia. In 2008, the Nationwide Tour Players Cup introduced the TICKETS Fore CHARITY program of which **100% of all ticket sales went directly to the charities involved in the program.** We are pleased to announce that the 2008 TICKETS Fore CHARITY program yielded \$78,125 for over 40 charities while also breaking a Nationwide Tour record for a first-year TICKETS Fore CHARITY program. Together with your help, we are striving for new heights with respect to the tournament's impact on the community and quality of life for the charitable beneficiaries of West Virginia.

"We were extremely pleased and pleasantly surprised with the success of the program this year," said Players Cup Executive Tournament Director Tim McNeely. "As a first-year program, we have a lot to be excited about moving forward with the TICKETS Fore CHARITY program in 2009."

**In addition to the 100% of ticket sales each organization will receive credit for, they will be entered into the \$25,000 Bonus Pool provided by the Players Cup.** The Bonus Pool is divided amongst the benefiting charities based on each organization's percentage of total ticket revenue from the TICKETS Fore CHARITY program. As you can imagine this is an incredible opportunity to support your community and favorite non-profit organization.

"Judging from the exponential growth of the program's founding tournament, Albertsons Boise Open Presented by Kraft in Boise, ID, we're confident that TICKETS Fore CHARITY will have a tremendous influence on West Virginia charities for years to come," said Players Cup Assistant Tournament Director Chase McClain. "We intend to continue developing the program in 2009 and its outreach in the state. We plan to work with local school districts, membership organizations, and youth sports leagues to build upon the tournament's community involvement and charitable impact."

Don't miss any of the exciting action at the Nationwide Tour Players Cup, June 22-28, 2009, at the Pete Dye Golf Club...buy your tickets today! Not only will you get a chance to see the PGA TOUR stars of tomorrow today, but you will make a difference in the life of the charitable beneficiaries of West Virginia! Be sure to order enough tickets for your family, friends, associates and clients!

We certainly hope you will be able to support your favorite organization by purchasing tickets to this year's tournament. The Nationwide Tour Players Cup is more than just a golf tournament, it is a community wide celebration with something for everyone. Don't wait...complete the order form and begin supporting our state's charities!

**This is an excellent way for WV HOBY to raise money needed to fund seminar as we receive 100% of the funds raised. This is also an excellent opportunity for you to offset your staff fees.**

Order forms will be available March 17<sup>th</sup> at
